

RPG GEEK RANDOM DESIGN 2022

RANDOM TABLES are the primordial ooze from which all games originate. The Geeks of RPPG present the results of their enthusiastic enumeration of eclectic effects - AKA the RPPG R-A-N-D-O-M Design Experience of 2022.

We did this in 2016 and it worked. Oops, we did it again in 2017. Then we forgot about it for 2 years. Then we did 2020. And it worked. As Ned Flanders might say:

Ding dang diddly! If we did it once, we can do it again!

The theme this year was *events that I don't want to go through all the trouble to run.*
